

Loving Touch Infant Massage Classes

BENEFITS OF INFANT MASSAGE:

- Begins a loving communication between parents and child
- Helps to strengthen and regulate the baby's primary body systems
- Reduces gas and colic and allows the baby to sleep better
- Helps the baby and parents to relax
- Increases parents confidence and handling skills
- Provides a way to develop quality interaction time between baby and parents

JOIN US FOR BOTH CLASSES OF INFANT MASSAGE ON:

Tuesday, October 21, 2014

10:00 a.m. – 11:00 a.m.

and

Wednesday, October 22, 2014

10:00 a.m. – 11:00 a.m.
